# STUDENT OF THE MONTH

**Johanna Romero**

## May 2011

Johanna Romero our newest Blue Belt is the May Student of the month. This is the first student ever to be arbitrarily nominated by the class. I informed the class I usually choose Blue Belt students and higher for the Student of the month-they said "promote her"! Their arguments were: She is helpful. She is a leader. She tries hard. She kias (yells) loud. She's *really* good at karate. I was very impressed with the classes' consideration, and I am always impressed with Johanna. The class is right on about her. Congrats Johanna this was a first!

## FROM SENSEI SPRING BREAK!!

I hope you all enjoyed the What I am dvd. It is a tribute to my Jr. Black Belts and it is a demonstration of how karate is making every student "stronger".
